

# experience abu dhabi

## 2026 TRADE CALENDAR

The Department of Culture and Tourism  
invites you to participate at its  
Roadshows and Exhibitions.

# Discover Our Events

At the **Department of Culture and Tourism – Abu Dhabi (DCT Abu Dhabi)**, we value the contributions of our partners and stakeholders in shaping the future of Abu Dhabi's tourism landscape. This page provides an overview of the event opportunities we offer throughout the year, designed to foster connections, facilitate growth, and showcase our emirate. We invite you to interact with industry professionals and capitalise on the insights and connections gained from these platforms.

## Exhibition

An exhibition, also known as a trade show or trade fair, brings together companies and organisations from the tourism industry to showcase and demonstrate their latest products and services. It provides an opportunity to connect with potential buyers and partners, generate new business, and stay up to date on tourism industry trends.

## Roadshow

A roadshow is a marketing event organised or co-hosted by DCT Abu Dhabi. It showcases the emirate to key travel trade professionals and buyers in multiple international or domestic cities. A roadshow typically includes a DCT Abu Dhabi-led delegation of Abu Dhabi stakeholders, featuring one-on-one meetings, training sessions, product updates, networking opportunities, and a B2B marketplace.

## Workshop

A workshop is an interactive training and engagement event promoting Abu Dhabi to travel trade professionals in one or more international cities. Organised or co-hosted by DCT Abu Dhabi, it typically includes a DCT Abu Dhabi-led delegation of Abu Dhabi stakeholders, with activities such as destination awareness exercises, in-depth training, product updates, networking opportunities, and a B2B marketplace.

## Marketplace

A marketplace is a B2B event held in Abu Dhabi, connecting local stakeholders with international buyers from a specific region. Organised by DCT Abu Dhabi, it showcases products and services and involves meetings, product updates, and networking opportunities, along with familiarisation trips for trade professionals and media to experience the emirate first-hand.

# Participation fees

Participation fees contribute to the organisation and execution of events, ensuring a high-quality platform for all participants to showcase their products and services.
